

CTDI Receives 2018 AT&T Supplier Award

West Chester, PA, March 30, 2018: Communications Test Design, Inc. (CTDI) is receiving the 2018 AT&T*
Supplier Award for its outstanding performance and service to AT&T affiliates during the past year.
CTDI is being recognized for its outstanding contributions across a broad scope of selection criteria, including supplier diversity results, creative cost management solutions, teamwork, customer service, product/service performance and sustainability.

"Over the last year, CTDI aligned themselves with AT&T's priorities and exceeded our expectations in helping provide for our customers," said Susan Johnson, executive vice president – Global Connections Management and Supply Chain, AT&T Services, Inc. "Together, we delivered smart solutions and exceeded customer expectations. And we did it all with innovation and leading technology. The commitment and contributions of CTDI has distinguished them as our 2018 recipient."

Jerry Parsons, Chairman and CEO of CTDI stated, "CTDI is extremely proud to receive such a distinguished award from AT&T and we value our collaborative and strategic service partnership. By working together, CTDI and AT&T have designed and implemented many innovative service solutions that have positively impacted the AT&T supply chain model. More importantly, these innovative solutions have delivered higher performance levels, which in turn, have increased the AT&T customer experience."

About CTDI: For 43 years, CTDI has provided world-class Engineering, Repair and Logistics Solutions to major Telecom Carriers, Cable Companies and OEMs. CTDI provides our customers with innovative test engineering, process automation, robust and customizable IT systems and the demonstrated willingness to invest in the technical and logistical resources, facilities, processes and inventories to provide in-region and world-class service solutions.
